## SIGN-UP SERVICE AGREEMENT

I AGREE

I DISAGREE

This Services Agreement ("Agreement") is between you ("User") and CORE Technology, Inc. ("Company"). In consideration of the right to access and use the Company's website, <http://www.xanboo.com> ("Website"), and receive services offered through the Website (the "Services"), User agrees to the terms and conditions of use set forth in this Agreement and acknowledges that he she is at least 18 years of age. User's continued use of the Services indicates User's willingness to be legally bound by the terms and conditions of this Agreement as set forth below. This Agreement applies to the Services currently offered by the Company and any Services that the Company may choose to offer in the future (unless stated otherwise).

1. **Covenant to Read Agreement.**  
User acknowledges that User has read this Agreement and accepts the terms thereof. If User does not agree to these terms and conditions, User may not access or otherwise use the Website or the Services.
2. **Company's Control Over Website.**  
(a) Company has the right, but no the obligation, to monitor the use of the Website and the Services, and, except as otherwise provided under Company's Privacy Policy, may freely use and disclose any information and materials received from the User or collected through User's use of the Website for any lawful reason or purpose. Click here to view Company's Privacy Policy. Without limiting the foregoing, Company has the right to remove any material that Company, in its sole discretion, finds to be in violation of the provisions hereof or

**Introduction to Detecting Cameras**

Please make sure that you have connected one or more cameras to your System Controller. Then click "next" to continue with setup

You may attach from one to four 'wired' video cameras to your System Controller. If you have not already connected at least one camera, please do so at this time, then click on the 'next' button.

To connect a camera, insert the yellow plug on the end of the camera cable into one of the yellow camera jacks (labeled 'CAM1' through 'CAM4') located on the back panel of the System Controller.

On the following Setup screen, Home Control will detect and configure the camera(s) that you have connected. You may choose a custom name for each camera, or accept the default names of 'Camera 1' through 'Camera 1'.
